

# REPAIR OF THE CREATION CENTER IN GRIGORAUCA

In the creation center from Grigorauca village is functioning the day care center for elderly „Sf. Petru“, as well as some rooms are used for the day care center for children „St. Maria“. The creation center has a large room, where various cultural and social activities are organized. This room is often used for our projects. Our seminars are held there. Our children dance and sing for the villagers, for old people, and for sponsors, when they come on visit. Hilfswerk Liechtenstein, Triesen supported all costs for the repair.
