

Emergency aid for a young family after a fire

The tragedy of the Moruz family from the Singerei district occurred on January 8, 2020 on Orthodox Christmas night. A young family with two children (7 and 6 years old) remained without accommodation in the middle of winter. Thanks to the charity of our sponsors, we could buy a house for the family that was literally standing on the street. This campaign was possible thanks to the generosity of the following sponsors: priest Erwin Benz (Switzerland), Mrs. Brigitta Walder (Switzerland), Hilfswerk Liechtenstein e. V. (Liechtenstein), Trilingual Dayschool GmbH (Switzerland), Hilfe für Osteuropa e. V. (Germany), Menschen helfen e. V. (Germany), Help for Children in Need (Switzerland).
