

Day care center "Freunde von der Heiligen Ioana Antida"

The day care center for children „Freunde von der Heiligen Ioana Antida“ was opened in Petropavlovca village as a place, that offers healthy meals and an occupation to 17 poorest children from the village. The priest of local catholic church, Daniel Medves, and the sisters take care of the spiritual development of children.

The implementation of this project was possible due to the German organization „Pro Moldavia e.V.“.
