

BUNVOLENTIA Day Care Centers

PARTNER: HELP FOR CHILDREN IN NEED, SWITZERLAND

12 DAY CARE CENTERS FOR CHILDREN ARE OPENED IN VARIOUS REGIONS OF MOLDOVA AT PRESENT. THE MORE PARENTS MIGRATE ABROAD AND LEAVE THEIR CHILDREN ALONE OR WITH THEIR GRANDPARENTS, THE BIGGER IS THE NECESSITY OF THESE DAY CARE CENTERS. THANKS TO THESE CENTERS CHILDREN MAY NOT STAY ON STREETS AFTER SCHOOL.

Day Care Centers offer the children healthy meals, which are very important for their health.

Various spare time activities, homework preparation, gardening works and handworks with help of teachers contribute to their

intellectual and spiritual development.
