

# The future hostesses from the boarding school, Straseni, Moldova

PU 423.4.2./07

The girls go with pleasure to the sewing and weaving courses

All 14 girls sew with great pleasure and try hard to improve their sewing and weaving skills.

The girls succeed in the fine needlework. They work with an outstanding sleight of hand.

The embroideries are

very beautiful and fine.

The girls were introduced into the art of weaving.  
Each girl weaves her own little mat.
