

SUMMER CAMP

The summer camp is annually organized for the children from the day care centers BUNVOLENTIA and "Saint Maria". The summer holidays (when the summer camp takes place) are a further occasion for joy and enthusiasm, because our children and youths have the opportunity to take several trips, to play outdoors, to take part in contests, to learn and discover many new things and to entertain themselves. Over 400 children enjoy a real vacation this year.

The day care center BUNVOLENTIA - Cojusna on visit of the house of the Russian poet A. Puskin in Moldova

The little ones from the day care center „Saint Maria“ enjoy a small presentation

The day care centers BUNVOLENTIA - Alexandrovca, Gangura I, Misovca and Gangura II on visit of the museum „A. Mateevici“, the botanic garden and the zoo
